

41st INTERNATIONAL TABLE TENNIS TOURNAMENT

October 16th, 2018
Eindhoven

Dear sport friends,

We're back! After a few years of absence, the Eindhoven Student Table Tennis Association TAVERES organizes the International Student Table Tennis Tournament (ITT) and, as usual, any student in all of Europe may enter. This biggest student table tennis tournament of Europe is a high-level tournament, but it also offers possibilities for recreational players. Besides top-level table tennis, the tournament also a great deal of fun! This unique combination has guaranteed a successful ITT for the past 40 years.

Invitations have been sent to universities all over Europe. The tournament will take place in the weekend from the 10th to the 12th of May 2019. It will start on Saturday at 9.00 am and it will end Sunday afternoon around 5.00 pm. We expect all participants to arrive on Friday evening between 8.00 pm and 11.00 pm. Although the tournament is primarily aimed at students, it is also possible to enter when you cannot compose a university team.

On Saturday, there will be a mixed team tournament. Each team consist of two players. Saturday night there will be a big party you can enjoy.¹ On Sunday, there will be an individual competition for both men and women. However, women may also participate in the individual men's competition if they wish to do so. If there are too few participants for the women's competition, there will instead be one mixed tournament. It is also possible to play only one day or to be accompanied by some non-playing companions/coaches.

The tournament will be played at the Student's Sports Centre of the Eindhoven University of Technology (O.L. Vrouwestraat 1 in Eindhoven, the Netherlands). Participants and companions/coaches will spend the night in the sports centre, so please bring along your own sleeping bag and airbed or foam mattress. If you do not fancy a massive sleeping party, you may camp next to the sports centre. In that case, do bring your own tent.

This year, enrolling can be done via our website. You can subscribe to the tournament via the link www.taveres.nl/itt-subscribe. Any changes to the team composition should be timely reported via the email address itt2019@taveres.nl. The subscription closes on the 19th of April, 2019. The entry fee is € 30,- per player for both days, € 17.50 per player for one day and € 17.50 per companion/coach (regardless of the number of days). This includes breakfast on Saturday and Sunday and two overnight stays. Lunch can be bought at the canteen of the sports centre, but we do not provide dinner. In addition, you can order an ITT-shirt. This T-shirt is designed specifically for this tournament and will cost € 7.50. At the tournament itself, only a few extra T-shirts will be available. Payment takes place while ordering the tickets.

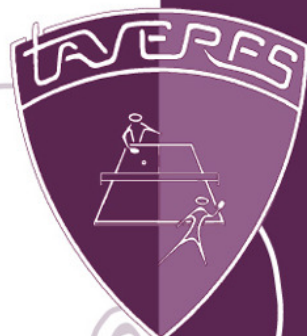

You will receive further information once the entry has been closed. There is no use in coming without a confirmation of subscription. Should you encounter any problems, please mail to itt2019@taveres.nl. All communication during the ITT will be in English.

We hope to see you at the tournament!

Yours sincerely,

Jeroen Weijts
