

42nd INTERNATIONAL TABLE TENNIS TOURNAMENT

February 18th, 2023
Eindhoven

Dear sport friends,

It's that time of the year again! After a few years of absence, the Eindhoven Student Table Tennis Association TAVERES will once again organize the International Table Tennis Tournament (ITT) and, as usual, table tennis players from all over Europe are invited. The tournament is open to people of all ages and skill levels. Besides top-level table tennis, the tournament also offers a great deal of fun in the shape of a party in the evening, so don't miss it!

Invitations have been sent to clubs all over Europe. The tournament will take place on the 3rd and 4th of June, 2023 at the Student's Sports Centre of the Eindhoven University of Technology (O.L. Vrouwestraat 1 in Eindhoven, the Netherlands). It will start on Saturday around 9.00 am and it will end Sunday afternoon around 5.00 pm. Participants can arrive earlier, on Friday evening, and sleep in one of our sports halls if they want to.

On Saturday, we will start with a mixed team tournament, with each team consisting of two players. You can sign up as a team, but also as an individual (we will arrange a teammate for you). On Saturday night, we will transform the SSC canteen into the venue for the party!¹ On Sunday, there will be an mixed individual competition, where your individual talents can shine (if you're not too hungover, that is). It is possible to play only for one day or to be accompanied by some non-playing companions/coaches, who can also sleep in the halls and enter the party. Participants and companions/coaches can spend the night in the sports centre on Friday and Saturday, so please bring along your own sleeping bag and airbed or foam mattress.

Can't wait to play? Subscriptions are already open and you can subscribe to the tournament via the link www.taveres.nl/itt-subscribe. The subscription closes on the 3rd of May, 2023. The entry fee is € 40 per player for both days, € 25 per player for one day and € 10 per companion/coach per day. Additionally, we will provide breakfast and lunch on both days for an additional fee. Otherwise, you can buy food at the SSC canteen separately or bring your own lunch. If you bring your own lunch, we kindly ask you to eat it outside of the SSC canteen. Payment is arranged as part of ordering the tickets.

You will receive further information once the entry has been closed. Should you encounter any problems or have any questions, don't hesitate to contact us at itt2023@taveres.nl.

We hope to see all you at the tournament!

Yours sincerely,

The ITT-committee 2023

¹ We will not serve alcohol to participants below the age of 18 during the ITT.
